

Hershey, Am/Can CH Ruxpin's Hershey, HIC, CGC

July 28, 1988 - April 3, 2003

Loved by Judy Howard and family

Hershey was a beautiful, silly, brown boy that brought smiles to all who knew him. He made very few demands of his family. He insisted on being the only Beardie that slept with us and he wanted, and received, a steady supply of tennis balls. Other than that all he ever asked for was a little love and he was a happy boy.
