

August 4, 1987 - September 14, 2002

Loved by Judy Howard and family

Missy was the undisputed leader of The Beardie bunch. She told the others what to do, how to do it and when to do it. Her passing left a huge hole in our lives.

Missy, you were the first Beardie we ever saw. It was love at first sight and we knew we had to have you from the first moment we laid eyes on you. Thanks for the wonderful memories!
